To Whom It May Concern:

Chemstations has developed proprietary software called CHEMCAD Suite that includes the following:

CC-STEADY STATE simulation software  
CC-DYNAMICS: dynamic simulation software  
CC-BATCH: batch distillation software  
CC-THERM: heat exchanger software  
CC-SAFETYNET: safety relief and piping network software

This software has been developed by Chemstations, Inc. in their headquarters in Houston, TX USA and Chemstations owns all rights to the software.

Nor-Par A.S. is the only authorized distributor for Chemstations products in Norway, Denmark, Sweden, Finland, Iceland, Poland, Hungary, Czech Republic, Slovak Republic, Romania, Bulgaria, Croatia, Slovenia and all other countries of former Yugoslavia, Russia, Kazakhstan, all countries of CIS and all countries of former Soviet Union, and in Lithuania, Latvia and Estonia.

Nor-Par has the right to sign software licensing agreements with End-Users on behalf of Chemstations Inc, handle payment, invoicing, delivery, updates, technical support and training with the End-User.

Please let us know if there are any questions in this regard.

Signed,

A handwritten signature in black ink, appearing to read 'Steve Brown'.
